

Tired of the Parties of War?

- VIETNAM
- IRAQ
- LIBYA
- LEBANON
- YUGOSLAVIA
- SYRIA (?)
- GRENADA
- HAITI
- IRAN (?)
- PANAMA
- AFGHANISTAN
- WHO'S NEXT?
- SOMALIA
- IRAQ (AGAIN)

Year after year, all over the world, both Democrats and Republicans murder, torture, bomb and starve anyone who dares to oppose the rule of the international corporations and the big banks. The “bipartisan” policy has always been support for the interests of the rich and willingness to use violence whenever and wherever it suits them.

The Peace and Freedom Party was founded in 1967 to oppose the U.S. war in Vietnam and to fight for freedom here at home. While the “peace Democrats” of that era have long since made their own peace with Wall Street and the Pentagon, we still unconditionally oppose war and militarism and we still work for peace, freedom and equality.

Join the Peace and Freedom Party

- Convert war industries to peaceful uses
- End all U.S. intervention in other nations' affairs
- Abolish the CIA, National Security Agency and all other tools of subversion
- Close all overseas military bases
- Dissolve all military alliances
- End the embargo against Cuba
- Dismantle and destroy all nuclear weapons
- Shut down the war machine

If you are against war, militarism and exploitation of other countries, it's time you joined the one party on the California ballot which consistently opposes them.

Because of the new “top-two” election system, our ballot status is threatened. We need to double our party registration by the end of 2014. Register Peace and Freedom Party now and help put an end to endless war.
