

Support the Party for Working People

The Peace and Freedom Party has fought for working people in the streets, at the ballot box and in the halls of government for over 40 years.

We recognize that many who support our work are not able to become active themselves. The supporting membership program is a way for everyone who supports our platform and candidates to contribute to socialist electoral action.

Supporting membership suggested dues

- \$1 a month (\$12 a year) subsistence
- \$5 a month (\$60 a year) low income
- \$8 a month (\$96 a year) regular
- \$20 a month (\$240 a year) sustainer

When you become a supporting member, your voluntary monthly dues will help us work toward our goals and yours:

- ◆ Economic equality and social justice
- ◆ An end to racism
- ◆ Restoration and preservation of the planet
- ◆ Peace and self-determination for all peoples
- ◆ Feminism
- ◆ Civil liberties and civil rights for all
- ◆ Democratic management of the economy

Your activism and your financial contributions are both vital. With your help, the Peace and Freedom Party can play an important role in winning a better future for all working people.
